THE ARTISTS' ARTISTS

To take stock of the past year, Artforum asked an international group of artists to select a single exhibition or event that most memorably captured their eye in 2018.

December 1, 2018

Judy Linn, *Albany*, 2014, 2017–18, ink-jet print, 18 1/2 × 27 3/4".

Judy Linn (CUE Art Foundation, New York) Linn's work reminds me of the writing of Alice Monroe and Grace Paley. Her pictures are stories of gaps in taste and politics told on flat surfaces. Augmented by color, texture, and form, the still images surge with action—unfolding both quickly and slowly. They give a peculiar sense of life being caught, as I the viewer am caught.
